

CONVERSATION WITH THE EXPERTS

Treatment of Adolescents with Substance Use Disorders and the Use of Medication

The New York State Office of Addiction Services and Supports (OASAS) and the Partnership to End Addiction are excited to announce a new webinar series addressing the use of medications to treat addiction, including opioid use disorder, for adolescents and young adults.

Dr. Marc Fishman and Dr. Sharon Levy will join Dr. Marc Manseau, Chief Medical Officer of OASAS, and Associate Chief Medical Officers Dr. Grace Hennessy and Dr. Kelly Ramsey to offer a unique opportunity to hear from national experts and answer your questions.

This series will consist of three live webinars with presentations, interviews, and opportunities for live questions. The presentations will be recorded for those who are unable to attend.
